Dear Parents,

Our topic for this term is Travel and Transport. We will be learning about how travel and transport has changed over time. Specifically, we will be learning about the Dover Bronze age boat, Neil Armstrong and the Wright brothers.

The Home Learning Grid inside this booklet is designed to widen the children's learning experience. Some activities may require adult supervision.

PE will be on a Wednesday this term, please ensure your child has their full PE kit in school.

Thank you for reading with your child as regularly as possible - we are really seeing the positive impact of the extra reading at home that lots of the children have been doing.
