

Our topic this term is: **Our Planet**

Complete one activity from this column per week:	Complete <b>at least</b> one more activities from these per week and colour the box in using the key below:				
Create a poster to explain what addition and subtraction mean.	To make a piece of jewellery using single-use plastic (e.g. plastic bottle tops)	Use your drawing skills to create an Autumnal scene. Use shading and toning.	Make an information sheet for a friend to tell them how to stay safe online.	Make a useful item out of recycled materials.	<b>ADULT SUPPORT</b> Use your effective searching skills to research things to do in Folkestone.
Write a fact file about Greta Thunberg.		Write a poem about fireworks and bonfires!	Visit Wood Avenue library and find books about The Gambia.	Set your goals for Term 2 - what would you like to improve in your learning?	Investigate your food packaging and sort them into recyclable or non-recyclable. Now make a poster to show which is which.
Compare Folkestone to the Gambia (the setting of The One Plastic Bag book). Write to explain the similarities and differences.	Make a poster, using scientific language, to show how sound waves affect volume in sound.	Create a piece of art to show different buildings in Folkestone and your class town.	Explain to an alien what modal verbs are and give some examples of how to use them.	Do some baking at home. Write down your ingredients and how you did it. Send in a picture of the results!	
Create a poster for our book area explaining the difference between fiction and non-fiction books.					
Make a list of things you can do to promote your self-esteem.	Write a song that will help learn a multiplication table of your choice.	Practice Times Tables Rock Stars. Can you improve your Rock Star Status?	Create a poster about Global Warming. What are the threats and what can we do to help?	Choose a place in the world that you would like to visit. Imagine that you are on holiday there and write a diary telling us about your favourite day there.	Write a list of expanded noun phrases to describe your favourite toys and books.
Write a letter to Mt Talbot to persuade him to have new play equipment outside.		Write a list of instructions to tell someone how to play netball.			
Write 4 addition and 4 subtraction worded problems that would require solving by using column methods. Provide the answers to your problems too!	Write a pros and cons list to owning an electric car.				
<b>Week1</b>	<b>Week 2</b>	<b>Week 3</b>	<b>Week 4</b>	<b>Week 5</b>	<b>WEEK 6</b>

Be as creative as you can. You can use the internet or books to help you.

**Castle Hill**  
Community Primary School

Dear Parents,

This term's home learning is linked to our topic of Our Planet and our class text is One Plastic Bag by Isatou Ceesay and the Recycling Women of the Gambia.

To support children's learning, the home learning grid inside this booklet is designed to allow choice and freedom to add more information to their class study. Some activities require adult supervision, which we have noted in the activity box. Each time that an activity is completed please shade it in on the grid.

This term, both classes have PE on a Friday. PE kit should be brought in at the beginning of term and taken home to be washed on the last day of term as additional sports activities often present themselves.

Children are expected to read their reading book for at least ten minutes every evening: these books will be within their Accelerated Reader level and children will be expected to complete a quiz on completion. Spellings will be sent home weekly with a spelling test on a Friday.

Thank you for your continued support.

Miss O'Gorman (Sandwich) and Mrs Jenkins (Deal)  
Year 4 teachers

## Year 4 Home Learning - Term 2
