Dear Parents,

Welcome back everyone!

This term's home learning is linked to our topic of World War One. We will begin learning about the changes in the world that led to World War 1, how Folkestone changed during World War One and we will also be focusing upon a local World War One hero called Walter Tull. To support the children's study, the home learning grid inside this booklet is designed to allow them choice and freedom to add more information to their individual study.

PE is on a Friday but please ensure that your child wears clothing appropriate for both indoor and outdoor sports activities. Please ensure your child has their PE kit in school every day.

We will continue to use Spelling Shed, Purple Mash and Timetable Rock Stars to support the children's learning at home and in school. Children have access to their usernames and passwords for all these apps. Please encourage your child to use these apps as much as possible to improve their spelling, mental arithmetic skills and to complete any homework set.

Thank you for your continued support.
